EXPERIENCE

Deep Fried Communications — *Jr. Art-Director*

January 25th, 2021 - PRESENT

This opportunity has given me so much experience to further my skills in design, teamwork, and client work. I worked closely with owner and strategist James Shaw to create and design work for many parishes in Ottawa.

House of Flowers, Fortinos, Ancaster — *Jr. Florist*

November 10th, 2021 - PRESENT

Working as a Junior Florist has taught me so much about design and how to work as a team in a new setting, working with clients & making arrangements that best suit their occasion.

Dunnmedia Entertainment, Ancaster, ON — *Archivist, Social Media & Web designer*

August 2019 -Present

The experience I've received working for DunnMedia Entertainment has greatly developed my skills in organization, social media design and web-design. This has been an excellent opportunity to be involved in the production process of documentaries, promotion and broadcasting live events.

N.E.T Canada, Peace River, Alberta — *Mission Team member*

August 2018 - July 2019

In this Mission year with N.E.T I received training and deep experience on how to work as a team and lead students daily on retreats, in classrooms and in their daily activities. This experience taught me how to work as a team, through conflicts and grow in my public engagement and speaking skills.

Education

Mohawk College, Hamilton — *Advanced Diploma*

September 2019 - April 2022

I studied Advertising & Marketing Communications Management at Mohawk College. In this program I studied in the creative stream and my courses in Layout & Art Direction, Interactive portfolio and Agency Experience help me strive to be a better Art Director and communications person.

Volunteer Experience

Music Leader, Event Coordinator, Social Media & Web design — *St. Ann's Parish Ancaster*

January 2014 - 2019

This role has given me experience in youth & music leadership since I was young and has taught me so much about community and my desire to lead.

Skills

Experienced in Adobe Creative Suite, design skills, Office 365, teamwork, conflict resolution.
